

## YEAR 1 - SPRING 2 ENCOURAGE CURIOSITY MINIBEASTS

We are learning about minibeasts because...

We want to **encourage** pupils to be **creative** and **curious** about the world around them.

### Key questions we will be able to answer:

- What minibeasts are in the UK/York/Huntington?
- What minibeasts are there in Australia?
- What are the seasons and how are they different in Australia?
- How does the weather in York compare to Australia?

### Key texts we will read:

Superworm by Julia Donaldson

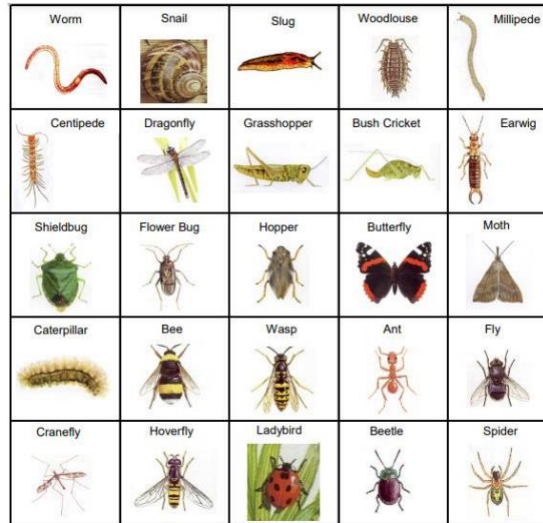

### Key vocabulary we will learn:

Continents  
Physical geography  
Seasons  
Weather

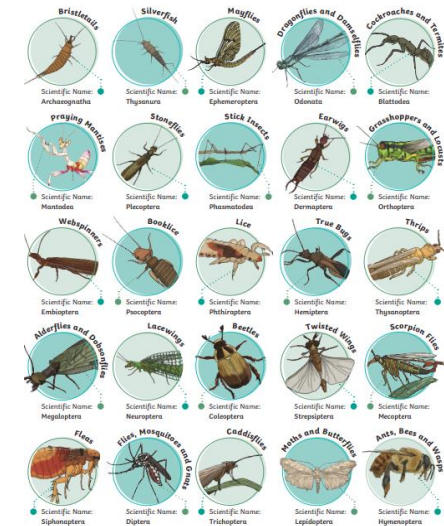

## Key subjects taught:

- Geography - continents, human and physical features, hot and cold climates
- Local environment fieldwork
- Art - Minibeast clay models
- Science - Seasonal Changes & Working Scientifically- Planning own experiments

British Insects

Insects
