Admissions Consultation for 2026-27 Entry

In conjunction with City of York Council, we are currently consulting on our admission arrangements for 2026-27. The consultation is running from 7 October to 18 November and includes the admissions policies and planned number of places (PAN) available at each school in York for entry in September 2026. For more information and to respond to the consultation, please see the admissions page on our website or visit: <https://www.york.gov.uk/SchoolAdmissions2026To2027>.

As part of the joint admissions consultation, we are also consulting on reducing our planned number of places (PAN) from 60 to 45. This is due to projected lower pupil numbers within our catchment area for the 2026-27 admissions round. You can provide your feedback on the proposed PAN reduction and admission arrangements by visiting the link above.
