September 2026

Dear Parents/Carers,

Would you be able to help our local community?

At Huntington Primary Academy we celebrate the tradition of Harvest every year with a celebration assembly. Our academy, as part of our value 'Belong' to our community, collect food items every year at harvest time to distribute to worthwhile causes and this year they have chosen to continue to support York Foodbank.

We wish to show our support for this work again and are asking families to become involved in this community project by donating food items. Many foods can be donated such as tinned food, food in jars, jam, hot drinks, and UHT milk, however, the only important requirement is that the food is within its sell by date and has a good shelf life. A shopping list is attached overleaf, and more details are available at <https://york.foodbank.org.uk/give-help/donate-food/>

We will begin celebrating Harvest in the week commencing 5th October. We feel this is an important time to raise awareness of local needs with our children and to support those in need at this time of year.

We are happy to take donations from 5th October up until the morning of the 12th October 2026 and food items can be given to your child's class teacher or handed in at the school office.

I hope you feel able to support this worthy cause and thank you in advance for your generosity.
Yours sincerely,

Mrs Holton
